Together We Can
Learn Laugh Dream Grow

19th April 2024

Dear Parent/Carer,

I hope that you all had a wonderful Easter Holiday break, despite all the rain! It has been lovely to see all the children this week in their final term of the academic year. Over the holiday period our site team worked hard to upgrade some of our learning areas, with a new entrance to the Foundation Stage area, new storage and toilets in preschool, new fencing to our Infant school pastoral rooms and new toilets in the KS1 corridor. On the Junior site, there is a new door to our reading garden, and we have also started making some changes to the reception area - you may have already noticed a repainted front door! Continuing the theme of improving toilet facilities, the outdoor toilets have been refurbished and reopened for easy access from the playground.

On our Infant site we have 2 new intervention classrooms led by Miss Marshallsay and Miss Crocker. These classrooms are aimed at supporting specific children to ensure that they can be successful in school. The rooms have already had an amazing impact across the Infant school, with all children being able to 'Learn Laugh Dream Grow'.

Our PTFA ran 2 very successful Easter events, with over 200 pupils participating in the Good Friday Easter Egg trail and a number of families joining the Easter Bingo. Over £300 was raised and Mr Adams will be liaising with Sports Ambassadors on how this will be spent to replenish and enhance playground equipment, along with some funding from the school. Our thanks to the PTFA for organising these fun events for our school community.

Over this term there will be lots going on as we continue with year group Book Cafes, and we will also be inviting Parent/Carers to come into school on the 8th May or 19th June to see 'A Day in the Life of a Primary Pupil'. This will be a great opportunity for you to see the school on a typical day, with children enjoying their learning and benefitting from some of our amazing facilities.

Little Livingstone's – our preschool is starting to get booked up for September, but we do still have some spaces. If you have a child who is due to turn 2 or 3 before September or know any other families that are looking for a preschool, please call the office to arrange a tour with Miss Roberts, Foundation Stage Leader, on Thursday mornings.
