

Welcome!

A very warm welcome to you all.

The children have settled in perfectly and we are all ready to start our year of adventures!

Phonics

Soon we will be starting our phonics learning every morning.

The children will be learning a sound a day and how we write it.

We will send home lots of videos to support you with this as we must ensure sounds are being pronounced correctly.

Meet the Team

Chestnut Class—Miss Roberts teaches in the morning. In the afternoons the children will be taught by Mrs Huggins The class TA is Mrs Collins.

Fir Class—Miss Guppy teaches everyday. The class TA is Mrs Steele.

The children will mix across the EYFS base at different times in the day so they will get to know all the children and staff.

PE

On PE day, which is **Thursday**, please can the children come to school in their PE kit. They spend all day in this so we don't worry about getting changed.

The Colour Monster

We will be using The Colour Monster story by Anna Llenas throughout the whole of the year to support children with emotions. If you would like to find out more please ask!

Baseline

Most of this half term we will be getting to know the children, finding out about their families and seeing what knowledge they already have.

We then use this information to plan all our activities—we cannot wait!

Important

Please ensure all of your child's belongings are clearly named. This includes lunchboxes, drinks bottles, coats and jumpers. Every morning the lunch trolley and book bag boxes will be outside so please ensure your child puts their belongings in there before coming into the classroom.
