

# Behaviour Policy (including Bullying and Exclusion)

The Livingstone Road Primary Federation adopts the principles and procedures of this Policy for both schools

Review Cycle: Annual

Responsible for Review: EHT  
Next Review Date: September 2025

## Policy Statement

It is important that our community are aware of the expectations across our federation; **Livingstone Road Infant School** and **Livingstone Road Junior School**, regarding behaviour.

Children learn best in a safe and happy environment. All staff are collectively responsible for all children in the federation and model good behaviour. This policy provides a framework within which the whole federation operates to ensure that we have suitably high expectations of each other and that there is a consistent approach to all matters related to behaviour and its positive management. Senior Leadership Team (SLT) will closely monitor, to ensure the policy is implemented consistently throughout the federation.

## Our Expectations

We expect every child and adult who is part of our federation to follow these key basic principles. These will help ensure a happy and safe environment for everyone to flourish.

Our code of conduct is (see Appendix 2):

- Be **respectful**
- Be **safe**
- Be **kind**
- Be **responsible**
- Be **the best you can be**

As a federation, we believe in an open-door policy. Staff will informally share children's successes with parents during drop off and pick up times. They may also reward children who have had successful days with stickers or positive postcards, so as to support the communication between school and home.

## Our Behaviour Reward System

### Positive reinforcement

All children are expected to adhere to the Code of Conduct. We believe that it is important to promote a positive message regarding behaviour at all times and to have high expectations of all our pupils. On occasions, staff may notice a child that displays exceptional adherence to the Code of Conduct, and they will be awarded with a Gold conduct sticker.

Teachers may also have their own class reward and incentive system, and this will be shared with the children at the start of the year and be managed within class. This ensures an age appropriate and supportive system of positive reinforcement that all children can participate in.

### Weekly Celebration Assemblies

A weekly celebration assembly will be held celebrating children who have produced 'Wow Work' or have been using their 'learning powers' the previous week. **Over the year, every child should have the opportunity to share a piece of work at least once.** Parents will be invited to come and see their child be celebrated for their 'Wow Work', with a letter sent to parents on the Monday for their child's 'Wow Work' the previous week. This gives parents time to be able to make arrangements to attend the assembly.

At the beginning of each long term, the celebration assembly will focus on pupils that display consistently excellent behaviour and follow the Code of Conduct.

### House Teams Point System – Reward for Code of Conduct & Sporting events

Children throughout the federation are placed into House Teams, named after 4 local beauty spots in Dorset.

Each team is allocated a colour as follows:-

Lulworth House	Blue	Sandbanks House	Yellow
Arne House	Green	Brownsea House	Red

Children can receive house points for displaying the code of conduct expectations throughout the day and in their work for 'being the best they can be'. There will be House Point jars in every class in which the children can collect their house point. House Captains will be appointed at the start of an academic year from Rec to Year 6. These children will collate house points at the end of the week and share in the weekly celebration assembly.

At the end of every half term, the winning team will be awarded a day to come into school in their house colours.

At Sports Day, house points will be rewarded – the team with the most points, will win the House Cup!

### Marbles in a Jar – Reward for class effort and teamwork

This is a whole school incentive to reward classes with working as a team to meet our code of conduct. Marbles will be collected during the weekly celebration assembly. When enough marbles have been collected as a whole school and the 'jar' is full, a whole school reward will be awarded. The reward is chosen by each class and could include a DVD afternoon; sports afternoon; board games activities.

**Inclusive climate for all:**

For some pupils, a modified curriculum is necessary in order for them to access learning and an individual behaviour plan is necessary in order for them to be successful in school. They are still required to adhere to the high expectations the school has of all its pupils, but they will need additional support and steps in place in order to meet these expectations.

<p>Referral Stage</p> <p>A referral could be made to:</p> <ul style="list-style-type: none"> <li>• Inclusion Lead/ Pastoral Support Team</li> <li>• Senior Leader</li> </ul>	<p>The referral stage will be implemented where there is an ongoing cause for concern. It may be that there have been a number of restorative conversations that have not had the desired impact. (Parents must be aware about concerns before this point).</p> <p>The child will be raised for support by the Inclusion Lead:</p> <ul style="list-style-type: none"> <li>• If necessary, support and facilitate Restorative Conversations between the member of staff and child.</li> <li>• Agree appropriate strategies with the child and teacher (Behaviour Response Plans).</li> <li>• Monitor and review strategies.</li> <li>• Discuss both the consequences for the child if not meeting the required actions, and the positive outcomes for everyone if conduct improves.</li> <li>• If a child does not achieve the required change in conduct, a review of the Behaviour Response plan will be undertaken alongside Inclusion Lead, child and parent.</li> </ul>
<p>Behaviour Response Plans</p>	<p>A restorative conference that looks at key support and targets for the learner will take place with Inclusion Lead, teacher, learner and parent.</p> <p>Every effort will be made to encourage and support a change in the learner’s behaviour. The agenda will be:</p> <ul style="list-style-type: none"> <li>• Clarify the unwanted behaviour and the impact on others</li> <li>• Consider the learners progress and achievement</li> <li>• Address any additional learning needs</li> <li>• Consider any other difficulties.</li> </ul> <p>A Behaviour Response Plan will be created which will include:</p> <ul style="list-style-type: none"> <li>• Agree the changes that are required</li> <li>• Agree additional support required to support a change in the learner’s behaviour (possibly from an external source if not already involved).</li> <li>• Agree the role of parents in supporting the plan.</li> <li>• Discuss an element of payback/positively contributing to the school community, as part of repairing the damage that they may have caused.</li> <li>• Monitoring and review arrangements. The child will be invited to participate fully in these discussions.</li> </ul>
<p>A serious breach of the school rules, or failure to engage successfully with the above steps may lead to a fixed term or permanent suspension.</p>	

## Bullying (See also Appendix 1)

We are committed to providing a caring, friendly, non-threatening and safe environment, for all of our children.

Bullying of any kind is not acceptable and any concerns from parents or children themselves will always be treated seriously. Incidents/concerns will be dealt with quickly and sensitively.

## Definition of Bullying

### 'STOP' – Several Times On Purpose

Bullying can be:

- Physical – pushing, kicking, hitting, pinching or any use of violence
- Verbal – name calling, sarcasm, teasing, spreading rumours
- Emotional – excluding, tormenting, being unfriendly
- Racist – racial or cultural taunts, graffiti
- Sexual – unwanted physical contact, abusive comments

Class teachers will teach children the difference between bullying and friendship fallouts. This will be done through a differentiated RHE curriculum across the primary federation and through opportunities such as 'Anti-bullying week', assemblies and targeted pastoral support.

It is the responsibility of all staff to be vigilant at all times and report any concerns:

- Teaching assistants and midday supervisory assistants report to the class teacher
- Class teacher reports to a member of SLT
- The SLT member reports to the Executive Headteacher

All incidents where a pupil is hurt at playtime should be recorded on Bromcom, using the initials of the children involved, so that a pattern can be identified if bullying is suspected.

Concerns from parents regarding bullying will be dealt with by a member of SLT.

They will:

1. Record the parents' concerns on Bromcom communication.
2. Investigate the alleged bullying incident.
3. Report back to the parents at an agreed time.

Actions that may be taken:

The member of SLT will speak to the pupil about the incident.

The member of SLT may arrange for the pupil to be monitored over a short period of time in order to establish the extent of the problem.

The pupil may have some support from the pastoral team, either individually or at playtime/ lunchtime.

The member of SLT will speak to the perpetrator and/or peer group. This can be with or without the victim being present depending on the circumstances.

Parents of the pupil who is bullying will also be informed and will be asked to meet with the member of SLT, to discuss an appropriate solution/sanction.

The victim's parents/carers will be informed of the actions to be taken.

Appropriate support will be given to all those involved so that a positive outcome is achieved and maintained.

## Roles and Responsibilities

The **Governing Body** should:

- Set the framework of the federation's behaviour policy through a written statement of general principles which takes into account the needs of all children, including any with special needs
- Consult with the Executive Headteacher and parents before making or revising the statement
- Oversee the Executive Headteacher's sound maintenance of the behaviour at the federation
- Advise the Executive Headteacher on their views on specific measures for promoting good behaviour
- Ensure the federation follows policies to promote good behaviour and discipline among children
- Regularly review this policy

The **Executive Headteacher** should:

- Draw up the Federation's written behaviour policy
- Publicise the federation's behaviour policy once a year to children, parents and staff
- Put in place effective strategies against bullying and ensure that children, staff and children understand these arrangements

Members of the SLT have day-to-day responsibility for behaviour, with the support of the Executive Headteacher and Governing Body.

## Suspension

Across the Federation a range of strategies are adopted to prevent suspensions and to ensure that any pupil with challenging behaviour is given every opportunity to participate in everyday learning activities including:

- Rewarding achievement
- Positive behaviour management techniques
- Working with Parents

A Pastoral Support Programme and/or an individual behaviour plan may be implemented. The Inclusion Lead will seek advice from other agencies as necessary, such as:

- Inclusion Team at Hamwic
- Pupil and Parent Support
- Longspee Outreach Worker
- Educational Psychologist
- Other Outside agencies for specialist support

If a member of SLT considers that the pupil needs additional adult support to cope with the challenges that school presents, hours will be endeavoured to be sought through the EHCP process.

Parents will be informed of:

- The pupil's behaviour
- The sanctions that are being used to discourage recurrence of such behaviour
- The steps that will be taken if the behaviour continues, which may be a fixed term exclusion

A record of more challenging behaviour will be logged and monitored by a member of SLT.

**A decision to suspend a pupil will not be taken lightly; it will be done with consideration and informal investigations into the incident and will only be taken:**

- In response to a serious breach of the federation behaviour policy
- Despite additional support in place for a SEND pupil, as set out in their EHCP or behaviour plan, they were still unable to follow the federation behaviour policy.
- If allowing the pupil to remain in school would seriously harm the education or welfare of the children or others in the federation

Behaviour which may result in exclusion includes:

- Extreme and deliberate physical aggression to children or adults
- Deliberate destruction to equipment or property
- Persistent disruptive behaviour
- Extreme verbal abuse
- Absconding from the premises
- Possession of inappropriate substances e.g. lighter; cigarettes, vapes, weapons, alcohol or drugs
- Other behaviour which the EHT considers to be serious, e.g. Bullying involving blackmail

In determining the need and duration of any suspension, the EHT will consider:

- The age of the pupil
- The health of the pupil
- The previous behaviour record
- Any circumstances unique to the pupil, e.g. EHCP, SEND, Child Protection, Cared For, etc.
- Whether parental or peer pressure may have contributed to the behaviour
- Severity of the behaviour
- Whether or not the behaviour impinged or will impinge on the day to day running of the federation
- Whether the incident was perpetrated by the pupil alone or as part of a group

Reintegration from fixed term suspension:

- A meeting will be organised with a member of SLT, parent and child
- Behaviour Response Plan to be discussed and updated in agreement with all
- A parent may be asked to co-regulate their child following the reintegration meeting to ensure a successful start to the day.
- Behaviour will be monitored and further, regular meetings to discuss progress will occur

***For further information regarding exclusions please read the Hamwic Education Trust Exclusion Policy***

## Handling

At Livingstone Road Primary Federation, we endeavour to use a holistic approach to meet the needs of every pupil, so that they can access the school curriculum. Some of our pupils will have specific plans to support the management of their behaviour and conduct. Some pupils will require physical intervention to prevent them from causing harm or danger to others and/ or themselves, causing damage to property or significantly disrupting the education and welfare of other pupils. All physical interventions are carried out through a multi-disciplinary approach which endeavours to keep people safe whilst supporting the learning of pupils in developing better ways to manage their own emotions and behaviour. Only staff trained in 'Securicare' positive handling methods should use any physical intervention with a child. The parent must be informed if a physical intervention is used on their child, and this must be recorded on a 'Lockyer' form and reviewed by the EHT.

Time is set aside in reviewing the effectiveness of any de-escalation strategies and handling techniques identified in children's behaviour response plans alongside the school Inclusion Lead. The techniques used seek to avoid injury; however, it is possible that bruising or scratching may occur accidentally to either pupil or member of staff supporting them. These are not necessarily as a failure of professional techniques, but a regrettable and infrequent side effect of attempts to keep people and pupils safe. There will always be a verbal check of injury after physical intervention and any injury will be treated and recorded on a skin map.

We endeavour to work closely with the Local Authority (LA), Educational Psychologist Service and Social Care in ensuring that pupils' needs are addressed and advice is considered / implemented.

Our key principles are;

- Physical Intervention (PI) and restraint should be used as a last resort to support children and young people in times of crisis. Restraint should be avoided wherever possible.
- Staff will continuously seek opportunities to communicate, assess the situation, look and listen and divert / de-escalate.
- Any physical intervention will be **REASONABLE, PROPORTIONATE AND NECESSARY** – in the pupil's and staff's best interest (**DfE Reasonable Force Guidance**)
- Where there is an element of foreseeable risk, this will be assessed and, where possible recorded.
- Parents / carers will be contacted by the school when their child has been involved in physical intervention. This may be by telephone, direct contact or by letter on the day the incident occurred.
- If and where pupils require a physical intervention, an individual Behaviour plan, incorporating positive handling, will be developed after the first incident. This will identify agreed strategies, non-verbal, verbal and physical support that will help the pupil learn, develop emotional and socially.

## Appendix 1

Detail to support page 7 of main Behaviour Policy

### **Definition of Bullying:**

The Anti-Bullying Alliance and its members have a shared definition of bullying based on research from across the world over the last 30 years.

**The repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power. It can happen face to face or online.**

There are four key elements to this definition, hurtful, repetition, power imbalance, intentional.

Across the Federation, the children will learn the acronym

**STOP- Several Times On Purpose**, as a way for them to understand if a child is showing bullying behaviour or not.

Bullying can be:

- **Physical** – pushing, poking, kicking, hitting, biting, pinching etc.
- **Verbal** - name calling, sarcasm, spreading rumours, threats, teasing, belittling.
- **Emotional/Social** – isolating others, tormenting, hiding books, threatening gestures, ridicule, humiliation, intimidating, excluding, manipulation and coercion, lying
- **Sexual** – unwanted physical contact, inappropriate touching, abusive comments, homophobic abuse, exposure to inappropriate films etc.
- **Online /cyber** – posting on social media, sharing photos, sending nasty text messages, social exclusion
- **Racist bullying** - any incident which is perceived to be racist by the victim or another person. It may be perpetrated against individuals on the basis of their race, skin colour, nationality, culture, language or religion.

### **Expectations of All Stakeholders**

#### **Staff Members**

All staff members will receive training on the implementation of the Anti-Bullying policy and any new updates as they occur.

All staff members in our federation take all forms of bullying seriously, and seek to prevent it from taking place. Strategies used across the federation to prevent bullying taking place include regular STOP assemblies, peer mediation training Y4, PHSCE lessons, Anti-bullying week and E-Safety day. Staff, through their professional responsibilities, model positive behaviour and actively encourage children to have respect for each other and for other people's property.

#### **The Role of Parents/Carers**

Parents/carers who are concerned that their child might be being bullied, or who suspect that their child may be the perpetrator of bullying, should contact a member of SLT immediately who will follow the federation's line of enquiry as set out on page 7. If parents remain dissatisfied, they should follow the federation's complaints procedure, which is available from the federation office and on the federation website.

Parents/carers have a responsibility to support the federation's Behaviour policy and actively encourage their child to be a positive member of the federation. Parent/carer representatives will be invited to attend any Anti-Bullying meetings to provide input into how to move the federation forward in its response to any incidents of bullying when planned.

Parents are discouraged from trying to deal with any incidents of bullying themselves, by approaching either the child involved or the child's parents.

### **The Role of Pupils**

During the federation year the pupils will learn about the different types of bullying and how to manage a situation if they think they are being bullied. They will learn about STOP through regular assemblies and the national Anti-Bullying week. Pupils are encouraged to tell anybody they trust if they or someone else is being bullied, and if the bullying continues, they must keep on letting people know. All pupils have been taught through lessons and assemblies that they can speak to any staff member whom they trust.

### **Equality Act 2010**

Schools must follow the Equality Act 2010. Staff must act to prevent discrimination, harassment and victimisation within the federation. If you think a child is being harassed in school you must act to prevent it.

Under the Equality Act 2010 it is against the law to discriminate against anyone because of:

*Age, being or becoming a transsexual person, being married or in a civil partnership, being pregnant or having a child, disability, race including colour, nationality, ethnic or national, origin, religion, belief or lack of religion/belief, sex, sexual orientation*

### **Bullying Outside of School**

The Department for Education released the following statement in regards to bullying outside of school premises: "Head teachers have the legal power to make sure pupils behave outside of school premises (state schools only). This includes bullying that happens anywhere off the federation premises, e.g. on public transport or in a town centre." Through Section 89 clause 5 of the Education and Inspections Act 2006 head-teachers have the power to discipline their students for any bullying incidents outside of school "to such an extent that is reasonable."

It will remain at the discretion of the Executive Headteacher to take this matter further.

## Behaviour at Livingstone Road - at a glance guide

- If there is one thing we can control, it is our own behaviour.  
All adults at Livingstone Road strive to:
- Make pupils feel valued and important
  - Build warm, positive relationships and mutual trust
  - Teach students the behaviours that they want to see and celebrate this
  - Remain calm, controlled and positive
  - Never ignore or walk past learners who are struggling to regulate

### Our Code of Conduct:

**Be respectful** – treat others well; be polite; listen & follow instructions; take care of property

**Be safe** – walking around school; use calming strategies; find a safe adult if needed; behave safely

**Be kind** – kind words; listen to others; kind hands; kind feet

**Be responsible** – listening & ready for learning; right place at right time; school uniform; be ready

**Be the best you can be** – try your hardest; use learning powers; think about improvements; celebrate

### Incremental strategies:

Redirection (gentle nudge).

The quiet reminder (refer to code)

The quiet caution (consequences)

30 second intervention

Reflection time Time-out/ Removal from classroom (with SLT IF NECESSARY)

Restorative conversation

Referral for support

Restorative Conference

Serious or persistent breach of rule

### Useful phrases.....

'I understand that you are feeling...'

'I can see....'

'I need you to.....'

'Be that as it may.... but I still need you to'

'I hear you... however....'

'Whenever you are ready.....'

### 30 second intervention

Gentle approach, personal, non-threatening, side on, eye level or lower.

"I notice that you are having trouble with....."

"It was the rule about....."

"You have chosen to....."

"Do you remember yesterday/last week when....." "That is what I need to see today. Thank you for listening"

Walk away from the learner; allow him/her time to decide what to do next. If there are comments, as you walk away write them down and follow up later.

Resist endless discussions around behaviour and spend energy on returning learners to their learning.

### Recognition and rewards for effort

Remember - a quiet word of personal praise can be as powerful as a larger, more public, reward.

- Gold conduct stickers
- House Points
- Marbles in a jar
- Learning Powers
- Worker of the Week

### Restorative Conversations

1. What happened?
2. Who has been affected?
3. How have they been affected?
4. What should we do to put things right?
5. How can we do things differently in the future?

Appendix 3: Script examples to support behaviour regulation:
