

Welcome

We hope you have all had a lovely Easter break and are ready to come back for another term at school. We have another exciting term planned this half term! This half term we will be learning all about Amazing People in our community and further afield. We hope to have lots of visitors in to tell the children all about their jobs.

Phonics

The children have been working so hard learning their phonics sounds and we are very proud of them! The children move around for phonics, so will be going to different classrooms with different teachers, depending on what stage of RWI they are at. Lots of our children moved up to the next group before the break and we are so proud of them.

Please remember to read with your child three times a week and record it in their yellow reading record. This is very important.

Important

Please make sure that you are signed up to Google Classroom and continue to check it regularly. This is the platform we use to send out any messages, home learning and any extra exciting bits we think of.

Maths

In maths this half term we will be exploring :
The composition of numbers to 10 - how these numbers are made and what parts they can be split into.

Doubling numbers.

Sorting and ordering numbers.

Knowing groups of numbers without needing to count them—subitising.

Favourite five

This half term our favourite five stories are:

Superhero like you

Little People Big Dreams—David Beckham

Little People Big Dreams—Simone Biles

Only One You

Dogs Don't Do Ballet

We will be looking at one of these books each week. We will focus on the characters, setting and the vocabulary in

Understanding the world

This half term we will be exploring all sorts of different roles people have in our community and how amazing the people around us are. We will be learning about many different job roles and what these people do each day. We will be learning to ask and answer relevant questions.

Writing

The children have made so much progress with their writing! They are becoming super writers and lots of them are now writing sentences. This half term we will continue to focus on building confidence when writing sentences and becoming more independent. We will be continuing to encourage the children to do this by applying their phonics skills. You can help them do this by reading and practising phonics at least 3 times a week.

Uniform

Please see below our uniform policy. This is what we expect the children to come to school in every day. Please speak to your child's class teacher if you have any questions or concerns.

Daily Uniform

- Emerald green crew neck sweatshirt or cardigan with Federation logo
- White polo shirt or a white shirt/blouse
- Grey trousers/shorts or grey skirt/pinafore
- Grey/white socks or tights
- Green summer dress
- Appropriate and sensible black flat shoes – trainers can be worn providing they are all black with a black sole

PE Kit

- According to the designated house team a red/yellow/green/blue t-shirt with the Federation logo
- Black shorts
- Black trainers
- Hooded emerald green sweatshirt with Federation logo
- Plain black jogging bottoms

A friendly reminder

Please make sure that all of your child's belongings are named. This includes lunchboxes and water bottles, as well as uniform. We still have a lot of un-named jumpers in our jumper boxes from last term. It is really hard for us to make sure the children have all of their belongings at the end of each day if things are not labelled.

Please also make sure that each day your child comes to school with clothes that are appropriate for the weather. The children will need sun hats this term and will need to be wearing all day suncream.

Water bottles will be very important in the hot weather, so please bring these each day along with your child's green book bag.

Many thanks.
