Together We Can
Learn Laugh Dream Grow

Livingstone Life! Year 1

Welcome back!

We hope you all had a lovely Easter and you are ready for Summer 1. We have so much to look forward to this half term. Our theme for Summer 1 is 'Walk the Plank!'

Reading

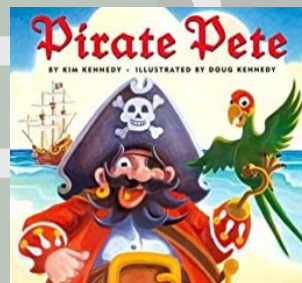

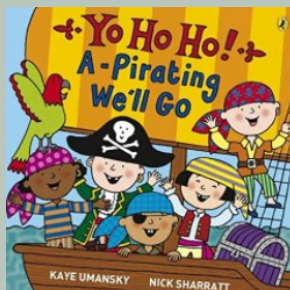

In Reading, we will be look at a variety of fiction and non-fiction books all about pirates! We will be answering questions related to the books working on our predicting, inferring and explaining skills. We will also look at vocabulary and understanding the meaning of words.

English

In our writing this half term, we will begin by reminding ourselves of the key features in an amazing sentence. We will practise this by writing all about pirates. We will create fact files about famous pirates like Blackbeard and Harry Paye using capital letters for names and places before finally writing a wanted poster too!

For our wanted poster we will be writing a character descriptions using expanded noun phrases and exclamation marks.

As we go through the half term, we will learn some pirate facts! It would be wonderful if you could share any of the facts that you have learnt at home. We look forward to hearing them.

Livingstone Life!

Year 1

Our learning this half term!

Science - We will be learning all about materials and we will be comparing and classifying materials based on their properties.

History - We will be learning all about local pirate Harry Paye! We will find out all about his life before he became a pirate and his life as a pirate.

D&T - In Design and Technology we will be making and evaluating our own pirate ships! We will look at what materials are best for making pirate ships before designing and testing our ships.

PE - The children will be diving into yoga and learning all about striking and fielding games.

RE - Hopefully the children have had a wonderful time celebrating Easter. This half term, we will look at the true meaning of Easter for a Christian.

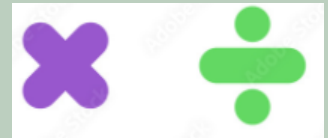

RHE - We will be learning all about relationships. We will discuss different ways to show people we care. We will also learn about different strategies we can use when we need help.

Maths

This half term we will be learning about:

- Multiplication and division
- Fractions

Reading

Keep reading at least 3 times a week and record it in your child's yellow reading records. It is wonderful to see the children's confidence and fluency grow. Reading is incredibly important and it really does make a huge difference when a child reads daily!

PE

Hazel - Tuesday and Thursday

Willow - Tuesday and Friday

Forest School

Hazel class will have forest school on Fridays and Willow class will have forest school on Thursdays. Please make sure your child wears something that can get a bit messy!

Google Classroom

A polite reminder to make sure you are signed up to Google Classroom. This is where we post reminders, make announcements and will be uploading home learning. If you need a new letter with your login details, please speak to your child's class teacher.
