Together We Can
Learn Laugh Dream Grow

13th June 2025

Dear Parent/Carer,

This past week our Year 4 students had their first experience of a residential trip with a 1-night stay at the Ancient Technology Centre. They all had an amazing time dressing in Viking costume, sleeping on sheepskins in a longhouse and playing traditional Viking games. A big thank you to all the staff that accompanied them on this and made it such a positive experience for our children.

I hope I am not going to jinx it, but with the weather warming up, please ensure children have a water bottle and hat in school. Suncream should be applied before school and children are allowed to bring this into school to reapply themselves at lunchtime. A reminder that on non-PE days, school uniform should still be worn. Summer uniform is grey shorts and white collared t-shirt or summer dress and black school shoes or trainers – no open toe shoes.

Mental Health Support In School Team

The Mental Health Support Team (MHST) is looking at how well the school community is helping students with their mental health and wellbeing. As part of this we would love to hear the voice of parents and carers through a questionnaire. Your answers will help us see what the school is doing well and what could be better. It is completely anonymous. The deadline for this questionnaire is 5pm Friday 20th June. The link is below:

The children will also be completing a questionnaire in class next week.
