Livingstone Road Primary Federation

Together We Can
Learn Laugh Dream Grow

19th June 2026

Dear Parent/Carer,

This week we've had Science week across the Federation. Every child has had the opportunity to choose from a variety of science-based activities to take part in every day, from slime making to bug finding. It has been wonderful to see all the children immerse themselves in these and share their excitement with each other.

We have also been visited by the Author Andy Seed, who delivered workshops to both our Infants and Junior children. It was lovely also to see so many attending the after-school Fair and book signing event. Andy has asked us to pass on his thanks *'The children were excellent across the board, total engagement (even among summer term Y6s, gasp...!) and such good questions and genuine interest. It was easy for me to make the most of that! Please pass on my well done to the children for being so good. I had so many unprompted thank you's'*.

As ever, our children make us so proud when we have visitors in school, and the feedback is always so positive about their behaviour and engagement.

Warm Weather Notice

We have been notified by BCP council of an Amber Heat Alert for the BCP area until 8:00pm on Tuesday 23rd June. In light of this, we have taken the decision that all children can come to school on Monday 22nd and Tuesday 23rd June in their school PE kit. This will enable them to remain as cool and comfortable throughout the day as possible.

We do also request that children come to school with sun cream applied before the school day begins and bring their water bottle with them, which can be regularly refilled to keep them well hydrated throughout the day.

Year 6 Bikeability

On Monday 29th and Tuesday 30th June Year 6 have the opportunity to take part in Level 3 Bikeability sessions. If your child would like a space, please use the QR code below to complete their details. If your child has their own bike and safety helmet that they would like to use for these sessions, please ensure they bring these to school with them on both days. However, we do have school issue bikes and helmets they can use also.

Dorset Mental Health In Schools Team

PARENT/CARER WORKSHOP

SUPPORTING SLEEP

Join the Mental Health Support Team (MHST) for a practical and informative workshop focused on helping children and young people develop healthier sleep routines. This session will explore why sleep matters, common challenges that affect young people's sleep, and simple, evidence-based strategies families can use at home.

Location: Livingstone Road Primary School
Date: Tuesday 23rd June
Time: 09:00am

No need to book! We just ask you inform the school so we have an idea of numbers. You can do this by emailing or calling the office.

Transition morning

As confirmed in last week's newsletter, pupils will be moving to their new classes on **Friday 26th June** for a taster morning. As in previous years, we would like all pupils to bring a photo into school that day, of their family or people they care about. This will form the basis of some PHSE work that morning and will form a classroom display that pupils can refer back to throughout the year. Please choose a photo that you are happy to be seen by the class and on a display and ensure you have another copy as it will remain in school for the whole year.

Preschool Spaces from September 2026

We are delighted to share that we have a limited number of places available in our preschool from September. We welcome children from the age of two, offering a wonderful opportunity for them to become familiar with the school environment and to support a smooth and confident transition into their early education journey. Please contact the office to book in a tour with Miss Roberts to find out more

Kidscape – Onsite Wraparound Care Provider

The Federation will be closed as usual over the upcoming Summer Holiday's; however, our onsite wraparound care provider Kidscape will still be open all Summer. There are posters dotted around both school sites showcasing all the exciting activities they have planned for the children. These range from a visit from an MMA coach, Dance teacher and a cheerleading coach to themed weeks and day trips out.

If you would like to book a space for your child, please contact Kidscape direct on 07985 704321.

Attendance

Congratulations to every class across the Federation who had an attendance score of over 96%! A special mention to year 3 as both Mulberry and Blossom had 100% attendance!

If your child is off sick for more than 1 day and you have not been informed by the office that you do not need to contact us, a daily email or telephone call is expected. This is part of both our attendance and safeguarding policies.

Contact regarding absence is requested before 0900.

If your child is absent, please report this on the email address: student-absence@livingstoneprimary.org. **Please do not send absence emails to the office email.**

Kind regards,

Claire Addis, Executive Headteacher
